Vensure Employer Solutions Earns 2023 Great Place to Work Certification™

Chandler, AZ, August 1, 2023 — Vensure Employer Solutions and our growing family of Division Partners is proud to be named as a Great Place to Work® for the fifth year in a row. The certification is based on direct feedback from employees across the country.

Through the survey process, Vensure learned that 83% of employees feel they are able to take time off from work when they deem it necessary. Vensure employees know when they need to relax and rejuvenate and they feel comfortable enough and have the resources and workplace support to do so. Compared to the average U.S. employees who, according to [Business News Daily](#), are only able to use 54% of their time off each year, with 9% never taking a vacation.

“Few achievements make me prouder than this organization being named a Great Place to Work for the fifth time in a row,” said Michelle Lanter Smith, Chief Marketing Officer at Vensure Employer Solutions. “This is a testament to our Vensure’s commitment to creating a positive and fulfilling workplace culture fostering growth, collaboration, and innovation. Our employees feel valued and supported, which is evident in their daily engagement and motivation to deliver exceptional service to clients.”

As the global authority on workplace culture, employee experience, and the leadership behaviors, the Great Place to Work® certification continues to set the industry bar higher as these results directly impact employee retention, experience, and company growth.
